Our Mission Statement To build a family of believers who glorify God and help each other become fully devoted followers of Jesus Christ

Hello St Markians!

St. Mark's is moving forward, inch by inch, with more **in-person gatherings**. **Sunday morning worship** attendance has come close to filling the sanctuary at our new capacity (50'ish) the past weeks. **Online attendance** remains strong and the geographic scope of our outreach online is broad. Many online **small groups**, studies and Life groups are meeting online.

The food pantry has been operating through this entire time. The number of families served increased and has decreased some now that people are returning to work. Thank you for all your food donations. **Mark'd Kids and CDO** are going well on Tuesdays and Thursdays. **Pop-up church** for the children in meeting on the east lawn Wednesday evenings. **Student Ministry** will begin meeting again on Wednesdays soon. One **Sunday school class** meets before worship service on the east lawn. A few activities are meeting at the church throughout the week. Official **church open hours** are 8-3:30 on Tuesday and Thursdays. **Worship teams** and partial **choir** are providing music online and live. **Scouts** may start again as early as August. It is a long way from normal, but St Markians are getting together in-person more frequently...and carefully. The **Re-Opening Team**, led by David Miller, is doing the careful task of guiding the opening process. CDC, State, WHO and denominational guidelines are being followed the best we can. **Sunday School classes** are welcome to meet at the church at times other than Sunday morning. I know that is odd, but it is a way to help keep safe distances and clean rooms for the meetings. Given safe distancing, a room such as room 18 for instance, only holds about 12 individuals or 10 pairs of people. And of course, face masks need to be worn inside. Once a room is used, it needs to be disinfected before the next group may use it. **Making reservations** for rooms and lawn space is crucial. So if your group wants to meet, please reserve a place inside or out through Pat Morford. Don't you appreciate the **daily devotions**?! Thank you to everyone who is sharing!

In Christ,
Pastor Keith

Devotions to do a quick reset

In the next few days we will be doing a quick reset on devotions. Our goal is to continue to provide devotionals but needed to take a step back and evaluate how we can make it sustainable. This week there will be no devotions as we reorganize. If you would like to help with the process and be on the team giving devotions please let us know. If you are interested we would seek one devotion a month from you. It is a great opportunity to share ones faith and encourage others. A giant **thanks** to all those who have been doing devotions and be in prayer as we move forward in the ministry for all those who will be a part. If you have any thoughts suggestions or other comments please feel free to share them by responding here.

Worship Services Continue

In addition to our continued support of online worship, we are excited to say the live service went very well this past week. If you would like to join us this coming Sunday remember that safe spacing requirements result in a limited number of available seats. Thank you for following the steps below to make your reservation.

Before Saving Your Seat for the Service:

Are any of the following true for you or anyone in your party:

- Showing any flu-like symptoms
 - A fever of 100.4 or higher in the past 14 days.
 - Prolonged exposure to someone who has tested positive for COVID-19.
- Any medical reason to think you should not be around others.

If you answered yes to any of these, we strongly encourage you to watch the services online rather than attend service. You can participate online by going to YouTube.com and searching for St. Mark's United Methodist Church, Bethany, OK, there you will find a link to the service on Sunday morning.

If your health self-assessment indicates that none of the above symptoms or situations apply to you or anyone in you party, then go ahead and make a reservation to attend worship.

RIGHT NOW MEDIA

Resource during quarantine

Hopefully you have been taking advantage of the Right Now Media for personal, group and family opportuni-

ties offered by Right Now Media. But with the Corona virus having us all at home and isolated more than usual we hope you take advantage of the service to use the videos, studies and other resources to use this time to strengthen your faith. If you have not signed up go to <https://www.righnowmedia.org/Account/Invite/stmarksbethany> and do so now. Once on take time to look at all the opportunities. We are even adding a St. Mark's channel to see original content from the church (go to libraries and click on St. Mark's United Methodist Church). During this time we will be adding content to this regularly. If you have questions contact the church office.

Children's Ministry

Be watching your email for links to children's programming during this time to provide opportunities to stay in contact with one another through lessons and other concepts that Miss Sharon and Miss Alicia are working on. Some will be interactive and others will just be lessons and updates. Hope you and your family take advantage of these.

Pop up Church available for Children

Our children's ministries continue to find new ways to minister during this pandemic. The latest is a pop-up church. In the pop-up church a time and place is set where children (and their families) can come together for a time of celebration, learning and fun in a safe, social distance environment. The next of these will be July 15th, at 6:30 pm in the field east of the church. There will be a lesson and other fun activities. Bring your lawn chairs, a water gun, maybe some snacks and join us. You might come ready to get wet. We are looking to continue these and if you would like to host one at the church, your lawn, backyard or neighborhood contact Sharon Hunt or Alicia Becker and we will work out the details.

WATCH FOR DETAILS OF THESE GREAT ONLINE OPPORTUNITIES FOR FAMILIES

Be watching for details on these two exciting opportunities that will be made available to families, and friends of St. Mark's. Baking Through the Bible is an at-home family resource that connects the love of baking with stories of the Bible that have to do with food! This family resource includes 5 days of faith activities. Each day centers on a Bible story that involves food and the activities center around that story as well as baking! WOW is an online VBS experience that you will join with thousands of people all over the world to have an at home VBS experience. It is designed for both preschool and Elementary kids. Do it with your kids, the neighbors kids, your grandkids, nephews and nieces and open God's word to them in a fun way. More information to follow.
